### REOPENING OF SCHOOLS

**Dear parent,**

We hope, you and your families are doing well at this time. In the light of the Covid-19 outbreak we are initiating the process to provide fruitful academic experiences for our children and therefore we plan to go for online teaching.

The school and all the teachers are working hard to give that routine back to students soon through virtual learning and online classes. We would request you to make necessary arrangements at home (Wi-Fi connection accessibility to laptops PC for students etc) so that children can attend online classes uninterruptedly.

We have chopped out a digital plan and weekly schedule of how the classes conducted online. The detailed time table and process of connecting over zoom platform will be made available to you through what`s app group.

Online virtual classes for I-X grade will start from 6<sup>th</sup> April i.e. Tuesday onwards. Kindly follow the given guidelines that are shared in the what`s app group.

- Follow the period time table according to given time table.
- Maintain 100% attendance.
- Maintain class works and home works neatly.
- Prior intimation will be given for any competition/activities/holiday notices.
- Prior intimation should be given to the class teacher by the student in case of any leave.
- Talk to the class teacher at regular interval to check your ward.
- We request all the parents to monitor the child during virtual classes.

**WISH YOU ALL THE BEST**

Thanking you all
